SUBJECT: Letter of Appreciation

1. Please extend my personal appreciation to everyone on your staff that prepared and provided the excellent briefings to the DIA ADP Managers on 2 October 1985. [REDACTED]

[REDACTED]
presented the briefings and are recognized here for our particular appreciation. We were able to learn much about the way in which the planning process operates at CIA, and how it can be applied to the DIA information systems environment. Our managers were very pleased with the presentation and I know it will have a positive impact on DIA.

2. I am keenly interested in continuing the dialogue started at our 2 October 1985 briefing, and I hope to discuss SAFE capacity planning with you in the near future. Again, thank you for your interest and support.
